Call for Papers

4th SAFE Market Microstructure Conference
Goethe University Frankfurt, 17-18 August 2020

The Leibniz Institute for Financial Research SAFE is organizing the 4th SAFE Market Microstructure Conference to stimulate the discussion on current developments in the field. The two-day conference will be held on the 17th and 18th of August 2020 on the Campus Westend of Goethe University Frankfurt. Papers in all areas of financial market microstructure are invited.

PAPER SUBMISSION PROCEDURE

Please submit an electronic version of the paper (PDF format) no later than 24 March 2020 by using our paper submission portal.

PAPER SELECTION PROCESS:

Preference will be given to recent papers that have not yet been presented or scheduled to be presented at major conferences. The selection of papers will be finalized by end of April 2020.

For any additional questions, please contact sagade@safe.uni-frankfurt.de

FUNDING

We have limited funding available to reimburse travel costs for presenters.
