

The Leibniz Institute for Financial Research SAFE – Sustainable Architecture for Finance in Europe – (www.safe-frankfurt.de) in Frankfurt promotes high-quality research and independent policy advice on all aspects dealing with the structure and functioning of the financial system. It is committed to contributing to the strengthening of a sustainable and resilient financial architecture that promotes innovation and serves the needs of the economy and its citizens. Researchers from the fields of economics, law, and political science collaborate at SAFE.

SAFE is seeking to fill one or more position(s) of a

Student Assistant (f/m/d) in the Research Data Center

Your Tasks

The student assistant will be involved in our historical research projects and will contribute to building a unique firm-level financial database from historical sources (e.g. Handbuch der Deutschen Aktiengesellschaft, Kursblatt der Berliner Börsen-Zeitung). The student assistant will support the project team, for example, in the data cleaning and validation process.

On this job, the student assistant will acquire/improve his/her programming skills and deepen his/her knowledge of data management. Moreover, the student assistant will gain insights in empirical research in economics and finance.

Your Profile

- Student of accounting, computer science, economics, finance, management, or a related discipline.
- High personal motivation and good self-management.
- Fluency in German is helpful but is not required.
- Candidates should work independently and are eager to learn.
- Programming skills are welcome but are not required.

We offer

The infrastructure of a modern research center with excellent contacts to the scientific and financial community. You will be working with an enthusiastic team of colleagues in the House of Finance at Goethe University. Remote work is possible. The position is for **6 months** (with the option of extension) with **20 to 40 working hours per month**, working hours are negotiable.

SAFE seeks to increase the share of women in research and thus strongly encourages female scholars to apply. We are also committed to promote the inclusion of persons with disabilities and therefore invite them in particular to apply.

Your application: Please submit your application, together with the usual credentials (CV, letter of motivation, transcripts etc.), by mail to Leibniz Institute for Financial Research SAFE, House of Finance, Theodor-W.-Adorno-Platz 3, 60323 Frankfurt am Main, Germany or electronically by email to applications@safe-frankfurt.de by adding **APPLICATION Student Assistant Data Center** in the subject line of your email.
